- Tyler
- Newton

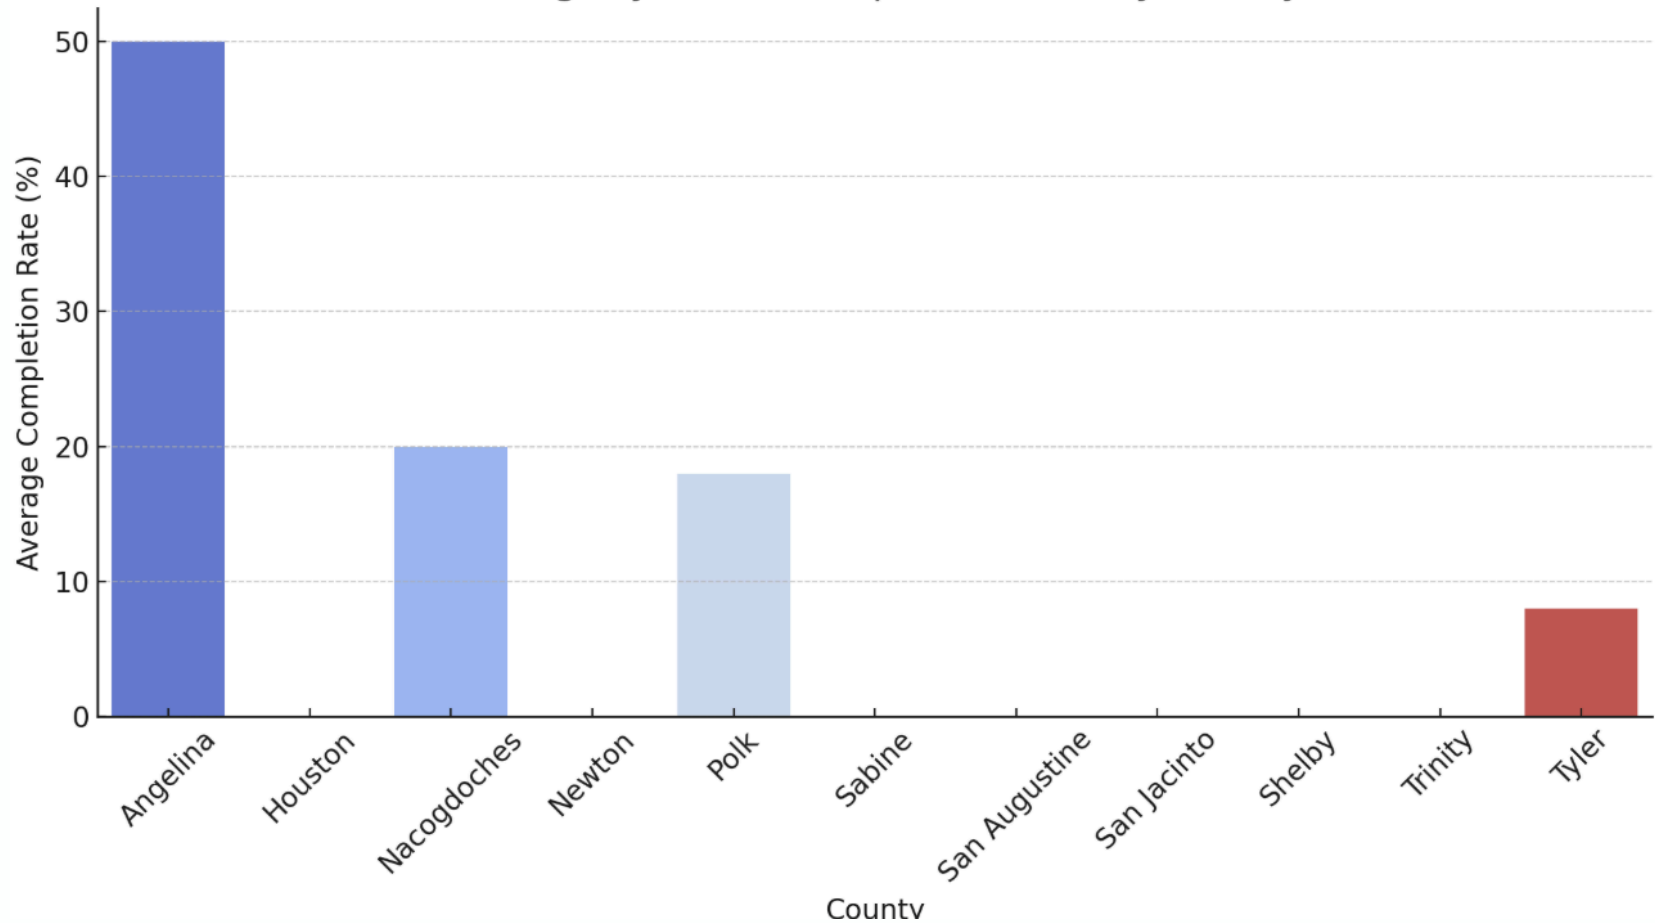

DETCOG Region

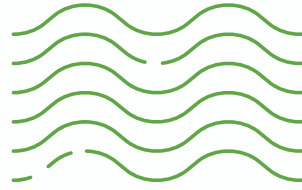

Average Lyft Ride Completion Rate by County

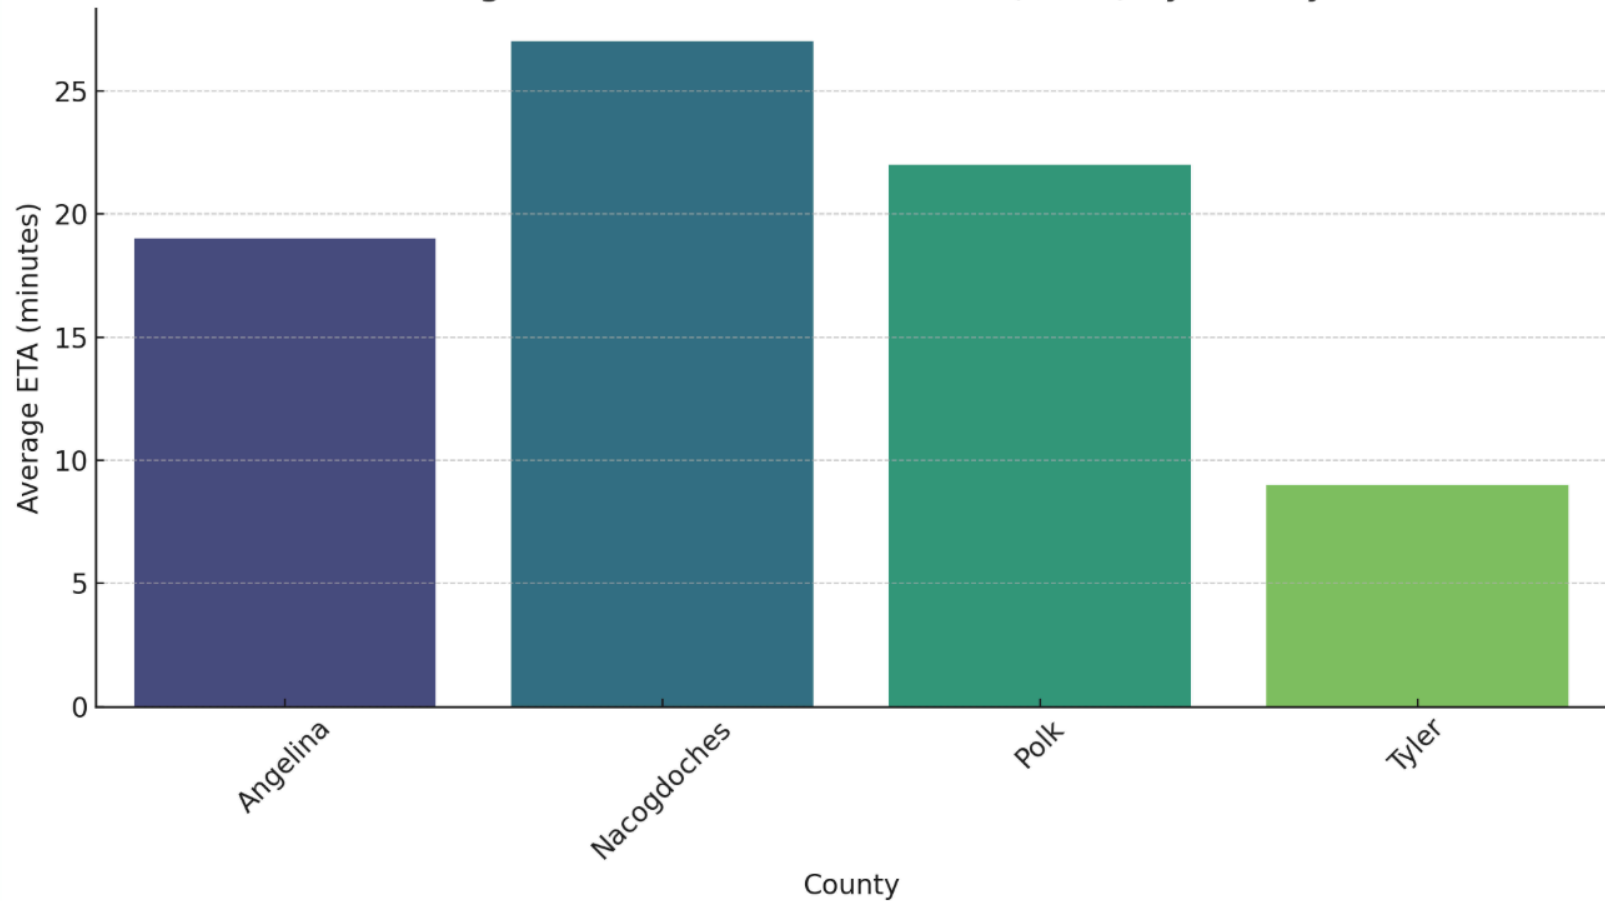

DETCOG Region

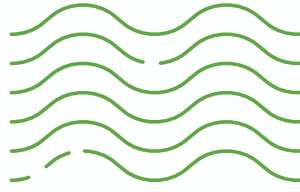

Average Estimated Time of Arrival (AETA) by County

DETCOG Region

- Angelina County leads with the highest average ride completion rate (50%) and a moderate AETA (19 minutes).
- Nacogdoches, Polk, and Tyler Counties show limited service, with low ride completion and longer wait times.
- The remaining counties (Houston, Newton, Sabine, San Augustine, San Jacinto, Shelby, Trinity) had a 0% ride completion rate, and no ETA data was available—indicating virtually no Lyft presence.
