

# Help Shape the Future of Transportation in Our Region!

We are seeking additional members for our Regional Coordination Committee, a group dedicated to improving and expanding transit services across our communities. This committee will bring together private transportation companies, government officials, hospitals, senior centers, and service organizations to coordinate efforts, share resources, and develop strategies for a more connected and accessible region.

## WHO SHOULD JOIN?

- Local Government Representatives
- Private Transportation Providers
- Hospitals & Senior Care Facilities
- Workforce & Social Service Organizations
- Nonprofits Supporting Transit Access
- Anyone Interested in Expanding Transportation Options

## Regional Coordination Committee

### WHY GET INVOLVED?

- Improve access to critical services for seniors, workers, and families
- Collaborate with key stakeholders in transportation and mobility
- Advocate for transit funding and expansion
- Help shape regional policies and initiatives
